## INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of  
Sprocket, Inc.  
Paducah, KY

We have reviewed the accompanying financial statements of Sprocket, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of entity management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**SPROCKET, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2018**

**Note A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Organization* – Sprocket Inc. (the Organization) is a not-for-profit organization organized under the laws of Kentucky. Sprocket is a place to create and develop innovative programs for education, entrepreneurship, and community learning. The Organization is organized exclusively for charitable, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code. The Organization’s activities are conducted principally in Paducah, Kentucky.

*Fund Accounting* – The accounting and reporting policies of Sprocket, Inc. conform to generally accepted accounting principles in the United States of America. They follow the recommendations of FASB Accounting Standards Codification 958, Financial Statements of Not-for-Profit Organizations. The Organization classifies resources for accounting and reporting purposes into separate net asset classes based on the absence or existence of donor-imposed restrictions. A description of the net asset categories is as follows:

*Unrestricted Net Assets* – Net assets not subject to donor-imposed restrictions or stipulations as to use or purpose. Such net assets may be designated by the Board of Directors for specific purposes or limited by contractual agreements with outside parties.

*Temporarily Restricted Net Assets* – Net assets that are subject to donor-imposed restrictions or stipulations that may or will be met either by actions of the organization or the passage of time. There were no such items in 2018.

*Permanently Restricted Net Assets* – Net assets that are subject to donor-imposed restrictions or stipulations dictating they be maintained in perpetuity. There were no such items in 2018.

*Accounts Receivable* – Accounts receivable are reported at their outstanding principal balance and are reviewed by the Board of Directors for collectability. No allowance for doubtful accounts was deemed necessary at December 31, 2018.

*Property and Equipment* – Property and equipment purchased are stated at cost. Items donated are recorded at estimated fair value at the time of donation. Major expenditures and those which substantially increase useful lives are capitalized. Maintenance, repairs, and minor renewals are charged to operations when incurred. The estimated useful lives of property and equipment are as follows:

Buildings	39 years
Building improvements	15 – 39 years
Furniture and equipment	5 – 7 years

*Depreciation* – The Organization provides for depreciation of property and equipment using annual rates which are sufficient to amortize the cost of depreciable assets using straight line and accelerated methods over their estimated useful lives. The difference between straight line and accelerated depreciation methods is immaterial.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2018**

***Note A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)***

*Revenue and Revenue Recognition* – Contributions, which include unconditional promises to give (contributions receivable), are recognized as support in the period the contribution is received or the promise is made. Support and revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Contributions received with donor imposed restrictions are reported as restricted support and increase temporarily or permanently restricted net assets. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. All other support and revenue is recorded when earned.

*Donated Services and In-Kind Contributions* – Volunteers contribute significant amounts of time to program services, administration, and fundraising activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods, rent, and professional services are recorded at fair value at the date of donation or at the fair value of the rent and services received, respectively. Donated equipment with fair value less than the organization’s capitalization policy is expensed in year received. In 2018, the entity received \$20,318 in equipment donations, of which \$3,899 was capitalized and the remainder was included in small equipment expense.

*Functional Allocation of Expenses* – The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

*Income Taxes* – The Organization has qualified for as a nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code, and therefore, is not subject to income tax.

*Estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

*Subsequent Events* – The Organization has evaluated subsequent events through September 13, 2018, which is the date the financial statements were available to be issued.
